

The WBT Flotilla is planned (weather permitting) for Tuesday July 21, 2020 at a start time of 5 PM meeting at Garfield Park. The current Covid-19 issues call for social distancing as well as other precautions that should be managed by the participants. I am sure everyone is familiar and will follow best practices.

Bring your own drinks and snacks for your boat.

If you need to be picked up at the landing at Garfield, please be there around 4:45PM and stand at the end of the dock and wave. Someone will pick you up.

Future planned dates are August 18 and September 15 for future Flotillas. For further information please contact Betty Buck, event coordinator, email [bettymar1968@gmail.com](mailto:bettymar1968@gmail.com) or mobile 651-206-3505
