October 2020

Subject: Sale offering of For The Love Of A Lake

For The Love Of A Lake, is a 185-page spiral bound compilation of interviews, memories, shared stories, and written articles. It was a project of the 100-year Anniversary Committee of the Wapogasset/Bear Trap Lake Improvement Association, Inc.(WBTLA) Jerry Tessman, Gail Tessman and Vicky Miller as well as many other contributors complied and assembled the document.

The price per book is \$15.00 each. The books are currently being made available from limited sources as our lake association's last meeting occurred before the reprints were made available. They can be mailed if you wish and the cost to mail is estimated at \$10.00 for that service.
